

## **GP ANNUAL EARNINGS**

### **2014-15**

All GP Practices are now required to declare the annual mean earnings (e.g. average pay) for the GPs & non-GP Partners to deliver NHS services to patients at each Practice.

The average earnings for the four part time GP Partners plus one (non-GP Nurse) Partner working in Farrow Medical Centre in the last financial year were £40,260 before tax & National Insurance.

The total cost for two part-time salaried in the last financial year GPs was £62,820.

The total cost of external locum GPs over this period was £32,674.
